

Application No. 10/600,837
Amendment dated October 24, 2007
Reply to Office Action of October 22, 2007

REMARKS/ARGUMENTS

In response to the Office Action handed to Applicants on October 22, 2007 at an interview meeting, reconsideration and allowance of the above-identified application are respectfully requested. Claims 1 and 5 were amended. Upon entry of this response, claims 1-5 and 7-19 will be pending. No new matter was added.

INTERVIEW SUMMARY

Applicants thank the Examiner for the courtesy of a personal interview on October 22, 2007. During the interview, the invention, the reference and gist of the invention related to the meaning and the teaching of the web-based, passive, user-active, event-centric application was discussed. The examiner and applicants reached an agreement that applicants add and clarify the claimed language of "passive, user-active, event-centric" language in the body of claims to overcome the reference.

AMENDMENTS TO CLAIMS

Based on suggestions made by the examiner and the agreement reached by the examiner and applicants, Claims 1 and 5 are amended to include the language passive, user-active, event-centric and to include clarification as to what this language means.

Application No. 10/600,837
Amendment dated October 24, 2007
